

UTAH LABOR COMMISSION

Energy saving and pollution reducing options for coming to our office

UTA: See the UTA system map at: www.rideuta.com

Bus | The closest bus service is along 400 South.

TRAX Option 1 | Exit the Blue Line at the Gallivan Center and walk 1 ½ blocks east on Broadway (*300 South*) to our office.

TRAX Option 2 | Exit the Red Line at the Library Station and walk 1 block north on 200 East to our office.

FrontRunner | Arrive at the Intermodal Hub. Take TRAX to the Gallivan Center stop. Walk 1½ blocks east on Broadway to our office. Alternatively, from the Intermodal Hub, walk 7½ blocks east (*through the Rio Grande train station lobby*), or take GreenBike.

Electric vehicle | There are free electric vehicle charging stations 1 block west at 55 East Broadway (*300 South*) and at the Salt Lake City Library.

Bicycle | There are new bike lanes along Broadway (*300 East*) which is the street where the Labor Commission is located. Bike racks are located near the front door of our building.

GreenBike | This is a bike rental program for downtown Salt Lake City. See the map at greenbikeslc.org. A green bike station is located near the front door of our building.
